### Trip Cancellation Policy

This policy ensures all participants who choose to book a UK chartered trip through Go Freediving are clear about our terms in relation to the cancellation or postponement of such trips by the charter, Go Freediving and/or the customer (i.e. you) and the eligibility of any refund (in part or whole) in relation to such trips.

### Cancellations:

A company or individual may cancel the Go Freediving Blue Shark trip by submitting a WRITTEN NOTICE via e-mail or letter to the address above. **The deposit of £100 is non-refundable** and the balance of the chartered trip is subject to the following cancellation fees

- If cancelled **over 16 weeks** before the scheduled charter **no payments** are necessary and if full payment has been made, [gofreediving.co.uk](http://gofreediving.co.uk) will refund the balance (minus the £100 non-refundable deposit) back to the company or individual.

- If cancelled **within 8 weeks but no more than 16 weeks** before the scheduled charter, a **50%** cancellation fee will be required by the company or individual.
- If cancelled **less than 8 weeks** before the scheduled charter, a **100%** cancellation fee will be required by the company or individual.

### **No Shows**

If a company or individual does not attend a chartered trip and does not give notice, the company or individual will be assessed a 100% “no-show” fee.

### **Reimbursements**

Go Freediving reserves the right to cancel the trip at any time. In the unlikely event of this occurring, Go Freediving will refund the charter fee(s) in full.

If the trip is cancelled due to circumstances beyond the control of Go Freediving such as bad weather we will refund the following:

Club Members: £237.50

Non Club Members: £261.50

Our liability is limited to charter fee(s) only. Accommodation costs are non-refundable.

Please note: Whilst we have taken all reasonable steps to ensure this trip will provide the ultimate diving experience of swimming with blue sharks, at no time do we guarantee that you will be able to sight and/or dive with sharks. Therefore if neither of these materialise, we are not liable for any compensation or refund.

### **Late Arrivals**

It is important that you arrive **30 minutes prior to the charter leaving**. Late arrivals may be considered as ‘no shows’ and could face late cancellation fees.
